Email: da.isdiyanto@yahoo.com

Languages: Indonesian, Javanish, Sundanish, English, Dutch (passive)

Study at VHL: International Horticulture and Marketing

Graduated: 2006

Current job: Currently I am working with PT. NESTLÉ. It is a multinational company based in Switzerland, producing a wide span of products, from milk beverages to confectionaries.
I work as an auditor & inspector for suppliers & their raw materials supplied to Nestlé.
I gained a lot of knowledge on raw materials for agriculture & animal husbandry from my VHL programme, whether in campus, in laboratories. training or from summer practical training.
I believe that VHL, as part of Wageningen U.R., provides the student with a wide range of knowledge to be ready for working after graduating.
