Study at VHL: MOD (Master of Development) – TREAT (Training, Rural Extension and Transformation) in Deventer

Graduated: 1991

Current job: “After graduating with a diploma from Larenstein in 1991, I worked for 6 years in the Ministry of Agriculture as a Training Officer, a role that Larenstein had prepared me well for, with the TREAT course.

I am currently the Managing Partner of Development Management and Training Consultants Ltd. My work involves day to day management of the firm as well as providing consultancy services to our clients in several areas including management and business training, socio-economic studies, water and sanitation, monitoring and evaluation, gender and strategic planning.”
